

KOORINGAL PUBLIC SCHOOL NEW CANTEEN PRICE LIST FOR 2016

PRICE AND MENU CHANGES EFFECTIVE AS OF 1 FEBRUARY 2016

Food that is sold in the canteen is in accordance with the NSW Healthy School Canteen Strategy as introduced by the NSW Government.

Parents/Guardians please note:

1. Changes will be advertised in the weekly newsletter
2. Notice of special lunches will be advertised in the weekly newsletter
3. Lunch orders are to be clearly written on a clean unused paper bag. These bags can be purchased from the canteen for **10 cents** per bag. Please include this in your total cost of the order.
4. Orders should read:
Name and Class
Order
Amount in bag
5. Place the money in the bag and fold the bag up to stop the money falling out. Please do not use sticky tape or staples.
6. If possible, please include the correct money. Change will be taped to the front of the bag and returned to the student with their order.
7. Snacks, drinks and ice creams can be ordered with lunch. Drinks and chips are included in the bag. For ice creams, the bag will be stamped "FREEZER" and the student must bring the bag back to the canteen to receive their ice cream.
8. Please ensure the bag is large enough to hold the items ordered.
9. Food from home cannot be heated in the canteen due to health regulations.
10. Late orders will be accepted until 10.20am to guarantee they will receive the items requested. After this time, students may only be offered a sandwich (depending on staffing and workload at the time). All effort will go into ensuring your child receives their preferred order.

The canteen operates Monday, Wednesday, Thursday and Friday at Lunch and Recess, closed on Tuesdays. Operating days and menu availability is dependent on a stable volunteer base. Our aim is to provide high quality, balanced, healthy food selection at a reasonable cost. Money that is raised is donated back to the school for the children's benefit.

If you have any questions or would like to volunteer please call the canteen on (02) 6922 6443.
